Versus Status Matt VSM

PRODUCT DESCRIPTION:

A high performance, matt superior quality acrylic emulsion for interior and exterior high traffic areas.
Meets the requirements of SABS 1586 Grade 1.

USES:

- Final coats to interior and exterior sound plaster, hard-board and fiber cement.
- Application to correctly primed metal and wood surfaces.

FEATURES:

- Water based: Low odor and easy cleaning.
- Durability: Highly durable and UV resistant for the harsh South African climate.
- Adhesion: Excellent adhesion if applied to sound surfaces.
- Low VOC: This product contains no toxic substances and very low levels of VOC (EU Regulations)
- Life Expectancy: 7-10 years on condition preparation and application are done properly.

PRODUCT INFORMATION:

- Type: 100% Acrylic.
- Appearance: Matt.
- Colors: White and arrange of 16 standard colors. Pastel, Medium and Deep tone. Colors can be tinted on request.
- Solids: 45% – 50% Bx Mass
- Density: 1.2 – 1.25KG/l.
- Viscosity: at 25°C 105-110 Kress
- Flash Point: Nonflammable.

STORAGE:

- Keep containers properly sealed.
- Store away from direct heat, sun and severe cold.

PACKAGING:

- 5 litres and 20 litres

APPLICATION DETAILS:

- Mixing: Stir well before use.
- Method: Brush, roller or Airless Spray.
- Thinning: Not recommended, but tap water if required. Thinning reduces the opacity. (Hiding power).
- Clean up: Tap water
- Spreading rate: 6-12 m²/l depending on surface porosity and profile.
- Conditions: Avoid painting in wet or cold weather.
- Minimum temp 8°C.
- Drying time: Touch dry ½ – 1 hour.
- Recoating time: 4-6 hours.
- Requirements: 2 coats.

SURFACE PREPARATION:

- All Surfaces must be sound, clean and dry before painting.
- New concrete surfaces: 1 coat of Versus Plaster Primer.
- New or weathered fiber cement: 1 coat Versus Bonding Liquid.
